Midterm Exam	8	30	Final Exam	14	60
			Class Participation	All along	10

1. Summary of the main learning outcomes for students enrolled in the course.

- To enable students to know the meanings of common English words, phrases and expressions.
- To enable students to spell common English words, phrases and expressions.
- To enable students to pronounce common English words, phrases and expressions correctly.
- To enable students to know the different parts of speech in a sentence.
- To enable them to practise their English vocabulary frequently.
- To enable them to use a word in different contexts for expressing different meanings.
- To familiarise students with the techniques of learning vocabulary.
- To make students learn and use words in their conversations.

The course aims at introducing students to:

- New words in context: their pronunciation, meaning, and usages
- Using dictionaries
- Keeping a vocabulary notebook.

Attendance Policy: Attendance is compulsory in every class. If a student misses more than 25 % of the total hours in all the skills i.e. Reading, Writing, Listening, Vocabulary, Grammar, and does not produce a valid excuse within one week after his/her absence, he/she will not be allowed to appear in the final exam.

Note: The student with 50% of absence in the total contact hours will be deprived and his/her excuse document(s) will not be accepted.
